WALK IN THE FOOTSTEPS OF HISTORY

From ancient lands to high-tech innovation, Israel is a country like no other — where every sunrise tells a story and every moment sparks inspiration.

Walk through Jerusalem's Old City, float in the Dead Sea, sleep under desert stars and discover the creativity driving Tel Aviv's start-up scene.

This is heritage meeting the future — and you're invited to be part of it.

JOIN THE JOURNEY

For students finishing Year 11 (S4 in Scotland). Ready for challenge, friendship and self-discovery?

No JLGB experience needed — *just an open mind and a sense of adventure.*
